

I see you.

We are here.

Look at me.

He is little.

They like you.

Was that one of you?

What was that?

Where am I?

She said to go.

Do you like me?

Where are you from?

She has it.

What do you see?

I have to go.

Come with me.

I am not little.

It was from me.

Where is the cat?

My dog is here.

It is for you.
